I hope one day you may come and visit the Philippines . We are known as the "PEARL of the Orient". We have those beautiful and green places untouched like Palawan. Daram. beaches and resorts and more places where the people are warm and friendly.

hey Michael ... yes, i do still have my bike, but not as nice as that one!! ... hehe ... right now, it is winter here, and we are having a snow storm, as we speak ... so my baby blue is in storage for a few more months ... days have started getting longer, though, which keeps me looking forward to spring ... Hi Deb!

Firefly isn't coming to the site. Do you know what really happened?

Ok Apple you've won,nothing happened i just lost interest in the internet. I need some time to adjust my life, you have to understand that i was very close to my mom and her death has had a major effect on my life, i'm not the same person i used to be. So keep my profile intact and when i'm ready i'll come back, deal?
